

How to Become a Member of the Founder's Club

We created the Founder's Club for Influencers who choose to lock arms with us and commit to helping Mons Pura grow in the early stages of the business.

Founder's Club Pool

Who is Eligible: Founder's Club Members who are paid-as Leader (LDR1) or higher each monthly period of the calendar quarter may participate in the Founder's Club Pool.

Total Pool Amount: This pool will allocate 0.5% of the total Company Commissionable Volume from each quarter.

Earning Shares: Each eligible member will receive 1 share for each Downline Volume point generated within the calendar quarter.

Share Value: The total pool amount will be divided by the number of shares generated by members who are eligible for this bonus.

Amount to be Paid: The bonus amount to be paid to each eligible Member will be calculated by taking the number of shares earned by the member and multiplied by the Share Value.

Pays Quarterly: The Founder's Club Pool bonus pays out quarterly.

Earn for up to 3 Years: This bonus will pay out for 3 years, beginning when the first member achieves eligibility.

Recognition: Each member will receive special recognition at corporate events and at corporate headquarters.
